Yes, Jesus loves me!

The Bible tells me so.

For the garden tells me so.

Little seeds may seem so small,

(hands together twice in front to indicate small; sign "garden" with a sprinkling for seeds; salute then turn palm in bring hands together in front to indicate small)

But God our Father grows them tall.

(low salute then forward hand motion; thumb of open hand forehead twice; right hand springs up through the land to show something growing; index finger moves up the upright outward palm to indicate tall)

(refrain)

Yes, Jesus loves me!

(closed fist knocking twice; hands together in front then middle finger to each palm; arms crossed in front; point to self)

Yes, Jesus loves me!

Yes, Jesus loves me!

The Bible tells me so.
