## 2 - Who was the first gardener?

- The first gardener was God.
- He made this earth we live on, and all the plants and animals too. He made everything grow that people would need.

**God's Word:** "In the beginning God created the heavens and the earth." Genesis 1:1

\*These are God's first words to us in the Bible.

\*"In the beginning" means the beginning of the earth, not the beginning of God.

\*"God created" means that everything He made is made from nothing but his word. He just said it, and it came to be.
