### 3 - Why did God make a garden?

- God made a garden because he loved the people he created so much, he wanted a beautiful place for them to live. He loves you too!
  - The garden gave them and the animals food to eat. It gave them enjoyable work to do in caring for the garden. And the Bible tells us it gave them a place to meet with God – he would walk with them in the garden.
- 

**God's Word:** "The Lord took the man and put him in the Garden of Eden to work it and take care of it."  
Genesis 2:15

\*God still wants us to work and take care of the things he has given us. Look at the creation all around you. How can you help to care for it? What are some parts of creation you really enjoy?

\*Remember to thank God for all he has made for us.

**Activity:** Act out this good reminder of God's love.

The wind tells me, (sway like a tree in the wind)  
The birds tell me (flap arms)  
The Bible tells me too (hands to form a book)  
How much God loves us all (arms outstretched)  
And now I am telling you. (point to self then point out)
